To Whom It May Concern:

Bridgette Olsen is a student in good standing at Columbia College Hollywood. She is currently taking Production Workshop, a course where students shoot their senior thesis projects. As the VP of Student Affairs, I can attest that she is well trained in both production and safety techniques, as well as having a deep level of respect for actors and crew on a set.

The college covers \$2 million in damage and liability, save a \$1,000 deductible, which is the responsibility of the individual student, should the need arise. Per the guidelines of our college, "Lost Love" is not being made for commercial profit of any kind, and as is the case with many student films, is being shot on a no-frills budget. Therefore, we hope you can provide any aid possible.

If you need further verification, please do not hesitate to contact me directly at kparker@columbiacollege.edu

Sincerely,

Kelly Parker
VP, Student Affairs
